

On March 6, 2026, Christian Weedbrook, Chief Executive Officer of Xanadu Quantum Technologies Inc. (“Xanadu”), a party to the proposed business combination between Crane Harbor Acquisition Corp. (“Crane Harbor”), through his social media account, shared the following post on X:

## **About Xanadu**

Xanadu is a Canadian quantum computing company with the mission to build quantum computers that are useful and available to people everywhere. Founded in 2016, Xanadu has become one of the world's leading quantum hardware and software companies. The Company also leads the development of PennyLane, an open-source software library for quantum computing and application development. ## **Business Combination**

Xanadu recently announced a business combination agreement with Crane Harbor Acquisition Corp. ("Crane Harbor") (Nasdaq: CHAC), a publicly traded special purpose acquisition company. The combined company, Xanadu Quantum Technologies Limited ("NewCo"), is expected to be capitalized with approximately US\$500 million in gross proceeds, comprising approximately US\$225 million from Crane Harbor's trust account, assuming no redemptions by Crane Harbor's public stockholders, as well as US\$275 million from a group of strategic and institutional investors participating in the transaction via a common equity committed private placement investment. NewCo is expected to be listed on the Nasdaq Stock Market and on the Toronto Stock Exchange.

## **About Crane Harbor Acquisition Corp**

Crane Harbor Acquisition Corp is a blank check company formed for the purpose of effecting a merger, share exchange, asset acquisition, share purchase, reorganization or similar business combination with one or more businesses.

## **Additional Information About the Proposed Transaction and Where to Find It**

The proposed business combination transaction will be submitted to shareholders of Crane Harbor and Xanadu for their consideration at the special meeting scheduled for March 19, 2026. NewCo and Crane Harbor have jointly filed a registration statement on Form F-4 (the "Registration Statement") to the U.S. Securities and Exchange Commission (the "SEC"). The Registration Statement includes a proxy statement/prospectus that has been distributed to Crane Harbor's shareholders in connection with Crane Harbor's solicitation of proxies for the vote by Crane Harbor's shareholders in connection with the proposed transaction and other matters to be described in the Registration Statement, as well as the prospectus relating to the offer of the securities to be issued to Xanadu's shareholders in connection with the completion of the proposed transaction. The Registration Statement was publicly filed and declared effective by the SEC on February 27, 2026, and a definitive proxy statement/prospectus and other relevant documents have been mailed to Crane Harbor shareholders as of the record date established for voting on the proposed transaction. Before making any voting or investment decision, Crane Harbor's shareholders and other interested persons are advised to read the definitive proxy statement/prospectus, as well as other documents filed with the SEC by NewCo and/or Crane Harbor in connection with the proposed transaction, as these documents will contain important information about NewCo, Crane Harbor, Xanadu and the proposed transaction. Shareholders may obtain a copy of the definitive proxy statement/prospectus, as well as other documents filed by NewCo and/or Crane Harbor with the SEC, without charge, at the SEC's website located at [www.sec.gov](http://www.sec.gov), Crane Harbor's website at [www.craneharboracquisition.com](http://www.craneharboracquisition.com) or by emailing [investors@xanadu.ai](mailto:investors@xanadu.ai).

## Forward-Looking Statements

This communication includes “forward-looking statements” within the meaning of the U.S. federal securities laws and “forward-looking information” within the meaning of applicable Canadian securities laws (collectively, “forward-looking statements”). Forward-looking statements may be identified by the use of words such as “estimate,” “plan,” “project,” “forecast,” “intend,” “will,” “expect,” “anticipate,” “believe,” “seek,” “target,” “continue,” “could,” “may,” “might,” “possible,” “potential,” “predict” or similar expressions that predict or indicate future events or trends or that are not statements of historical matters. We have based these forward-looking statements on current expectations and projections about future events. These statements include: the stock exchanges on which the shares of the combined company are expected to trade; proceeds from the business combination and related PIPE; funds received by the combined company from Crane Harbor’s trust account and redemptions by Crane Harbor’s public shareholders; commentary on Xanadu’s current position, corporate strategy, and approach to scaling its photonic quantum platform; estimates of customer penetration rates and usage patterns; projections regarding Xanadu’s ability to commercialize new products and technologies and achieve technological milestones, including its ability to build quantum computers using light or photons; projections of development and commercialization costs and timelines; expectations regarding Xanadu’s ability to execute its business model and the expected financial benefits of such model; expectations regarding Xanadu’s ability to attract, retain, and expand its customer base; Xanadu’s deployment of proceeds from capital raising transactions; the successful consummation and potential benefits of the proposed transaction and expectations related to its terms and timing; the potential for Xanadu to increase in value; Xanadu’s ability to compete effectively in the quantum computing market; Xanadu’s ability to produce quantum computers that are useful and available to people everywhere; Xanadu’s ability to commercialize its hardware and software; the expected benefits from having access to the public markets; Xanadu becoming the first and only publicly traded pure-play photonic computing company; Xanadu’s ability to effectively scale quantum computing; Xanadu’s ability to effectively scale infrastructure in a secure manner; the expectation that Xanadu will be public soon.

These forward-looking statements are provided for illustrative purposes only and are not intended to serve as, and must not be relied on as, a guarantee, an assurance, a prediction or a definitive statement of fact or probability. Actual events and circumstances are difficult or impossible to predict and will differ from assumptions, many of which are beyond the control of Xanadu and Crane Harbor. These forward-looking statements are subject to known and unknown risks, uncertainties and assumptions that may cause the actual results of the combined company following the proposed transaction, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied by such statements. Such risks and uncertainties include: that Xanadu is pursuing an emerging technology which faces significant technical challenges and may not achieve commercialization or market acceptance; that quantum computing does not become an important part of the global compute ecosystem; Xanadu’s historical net losses and limited operating history; that there is substantial doubt about Xanadu’s ability to continue as a going concern; Xanadu’s expectations regarding future financial performance, capital requirements and unit economics; Xanadu’s use and reporting of business and operational metrics; Xanadu’s competitive landscape; Xanadu’s dependence on members of its senior management and its ability to attract and retain qualified personnel; the potential need for additional future financing; Xanadu’s ability to manage growth and expand its operations; potential future acquisitions or investments in companies, products, services or technologies; Xanadu’s reliance on strategic partners and other third parties; Xanadu’s concentration of revenue in contracts with government or state-funded entities; Xanadu’s ability to maintain, protect and defend its intellectual property rights; risks associated with privacy, data protection or cybersecurity incidents and related regulations; the use, rate of adoption, and regulation of artificial intelligence and machine learning; uncertainty or changes with respect to laws and regulations; uncertainty or changes with respect to taxes, trade conditions and the macroeconomic environment; material weaknesses in Xanadu’s internal control over financial reporting and the combined company’s ability to maintain internal control over financial reporting and operate as a public company; the possibility that required shareholder and regulatory approvals for the proposed transaction are delayed or are not obtained, which could adversely affect the combined company or the expected benefits of the proposed transaction; the risk that shareholders of Crane Harbor could elect to have their shares redeemed, leaving the combined company with insufficient cash to execute its business plans; the occurrence of any event, change or other circumstance that could give rise to the termination of the business combination agreement; the outcome of any legal proceedings or government investigations that may be commenced against Xanadu or Crane Harbor; failure to realize the anticipated benefits of the proposed transaction; the ability of Crane Harbor or the combined company to issue equity or equity-linked securities in connection with the proposed transaction or in the future; and other factors described in Crane Harbor’s filings with the SEC. These forward-looking statements are based on certain assumptions, including that none of the risks identified above materialize; that there are no unforeseen changes to economic and market conditions, and that no significant events occur outside the ordinary course of business. Additional information concerning these and other factors that may impact such forward-looking statements can be found in filings and potential filings by Xanadu, Crane Harbor or the combined company resulting from the proposed transaction with the SEC, including under the heading “Risk Factors.” If any of these risks materialize or assumptions prove incorrect, actual results could differ materially from the results implied by these forward-looking statements. In addition, these statements reflect the expectations, plans and forecasts of Xanadu’s and Crane Harbor’s management as of the date of this communication; subsequent events and developments may cause their assessments to change. While Xanadu and Crane Harbor may elect to update these forward-looking statements at some point in the future, they specifically disclaim any obligation to do so, unless required by applicable securities laws. Accordingly, undue reliance should not be placed upon these statements.

In addition, statements that “we believe” and similar statements reflect our beliefs and opinions on the relevant subject. These statements are based upon information available to us as of the date of this communication, and while we believe such information forms a reasonable basis for such statements, such information may be limited or incomplete, and our statements should not be read to indicate that we have conducted an exhaustive inquiry into, or review of, all potentially available relevant information. These statements are inherently uncertain and investors are cautioned not to unduly rely upon these statements.

An investment in Crane Harbor is not an investment in any of Crane Harbor’s founders’ or sponsors’ past investments, companies or affiliated funds. The historical results of those investments are not indicative of future performance of Crane Harbor, which may differ materially from the performance of Crane Harbor’s founders’ or sponsors’ past investments.

#### **No Offer or Solicitation**

This communication does not constitute an offer to sell or the solicitation of an offer to buy any securities, or a solicitation of any vote or approval, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. This communication is not, and under no circumstances is to be construed as, a prospectus, an advertisement or a public offering of the securities described herein in the United States or any other jurisdiction. No offer of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act of 1933, as amended, or exemptions therefrom. INVESTMENT IN ANY SECURITIES DESCRIBED HEREIN HAS NOT BEEN APPROVED BY THE SEC OR ANY OTHER REGULATORY AUTHORITY NOR HAS ANY AUTHORITY PASSED UPON OR ENDORSED THE MERITS OF THE OFFERING OR THE ACCURACY OR ADEQUACY OF THE INFORMATION CONTAINED HEREIN. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE. This communication is not, and under no circumstances is to be construed as, a prospectus, an advertisement or a public offering in any province or territory of Canada. In addition, no securities commission or similar regulatory authority in Canada has reviewed or in any way passed upon this communication or the merits of any of the securities described herein and any representation to the contrary is an offense.

#### **Participants in the Solicitation**

NewCo, Crane Harbor, Xanadu and certain of their respective directors, executive officers and other members of management and employees may, under SEC rules, be deemed to be participants in the solicitation of proxies from Crane Harbor’s shareholders in connection with the proposed transaction. Information regarding the persons who may, under SEC rules, be deemed participants in the solicitation of Crane Harbor’s shareholders in connection with the proposed transaction are set forth in proxy statement/prospectus filed by NewCo with the SEC. You can find more information about Crane Harbor’s directors and executive officers in Crane Harbor’s Annual Report on Form 10-K for the year ended December 31, 2025 and its subsequent filings with the SEC. Additional information regarding the participants in the proxy solicitation and a description of their direct and indirect interests will be included in the proxy statement/prospectus when it becomes available. Shareholders, potential investors and other interested persons should read the proxy statement/prospectus carefully when it becomes available before making any voting or investment decisions. You may obtain free copies of these documents from the sources described above.
